***** **Additional Information For You To Know** *****

+++ **SKILL OF THE WEEK** (Week 3): Using an Appropriate Voice Tone—1. Listen to the level of the voices around you. 2. Change your voice to match. 3. Watch and listen for visual or verbal cues and adjust your voice as needed. Your voice can show others a lot about you, like how you are feeling or what mood you are in. If you are talking too softly, people won't be able to hear you, but if you are talking too loudly, you might disturb others. It is important to look and listen to those around you.

+++ **SCHOOL PICTURES** will be taken by Portraits by Misti on Tuesday, September 12 starting at 8:30 AM. A letter was sent home with more details. Fill out the form and return it to the classroom teacher even if you are not purchasing the pictures. (The picture will still be taken for the yearbook.) Ages 3 and up also welcome.
