***** **Additional Information for You to Know** *****

+++ **SKILL OF THE WEEK : Listening:** 1. Look at the person who is talking and remain quiet. 2. Wait until the person is through talking before you speak. 3. Show that you heard them by nodding your head, saying 'Okay,' 'That's interesting', etc. Being a good listener helps you learn new things and understand what others are asking or telling you to do. Listening to the person talking shows respect to the person you are talking to. It is important to show respect to your teachers and classmates by not interrupting them.

You can reserve any calendar date in 2018 to honor someone or a special intention which will be prayed for during the school's weekly assembly. Days will be taken on a first come, first served basis so claim your dates quickly! Dates are priced according to where they fall on the calendar with January 1st priced at \$1.00 to December 31st at \$365. For more information or to make a reservation call Rhonda Livedalen @ 425-2342.
