Why do we celebrate Veteran's Day???
This week on November 11, the United States celebrates its annual observance of Veterans Day. This national holiday dates back to 1918, when the armistice between the Allied countries and Germany on the "eleventh hour of the eleventh day of the eleventh month" brought an end to World War I. President Woodrow Wilson declared November 11 would be observed as "Armistice Day." Congress officially changed the name to "Veterans Day" in 1954 to recognize all men and women who had served within the military during times of war. We continue to remember all those who have served, and also those who currently serve in conflicts in the name of peace around the world.

***** Additional Information For You To Know *****

+++ **SKILL OF THE WEEK:** Working with Others: 1. Identify the task to be completed. 2. Assign tasks to each person. 3. Discuss ideas in a calm quiet voice and let everyone share their ideas. 4. Work on tasks until completed. This skill is an important one that you will use throughout your life. The steps for this skill are as follows: 1. Identify the task to be completed, this helps everyone to know what you are working towards. 2. Assign tasks to each person. As a group you decide who will do what part. You may need to take turns. 3. Discuss ideas in a calm quiet voice and let everyone share their ideas. When discussing ideas stay calm and be sure to let everyone talk. Being a good listener is a big part of this step. 4. Work on tasks until completed. Stick to it! Stay on task and get the job done! You can encourage your teammates along the way.
