SKILL OF THE WEEK: “Disagreeing Appropriately” 1. Look at the person. 2. Use a pleasant voice. 3. Tell why you feel differently. 4. Give a reason. 5. Listen to the other person. There will be times when we find ourselves not agreeing with another person. It is okay to disagree, but how you do it is what is important. Talk to the person calmly and use a nice voice and also remember to be respectful and listen to their side. Staying calm might keep an argument from happening. It can be helpful to hear another side; they may have some ideas you have never thought of.
