Skill of the Week: Having Appropriate Conversations 1. Use a quiet voice tone. 2. Keep the conversation clean, respectful, and appropriate for school. 3. Don't interrupt. Let the other person finish before you begin to speak. 4. If someone asks you to change a conversation to something that is more appropriate for school, do so. 5. Have a conversation at a time and in a place where it doesn't bother others or interfere with the school-day routine.
