For Lent this year our school has decided to help the family of Callan Dockter. Callan and his parents are in Philadelphia recovering from his surgery, while Savanna and Hudson are staying with their grandparents in Rugby. We will be gathering donations to help all members of their family during this difficult time. Donations may include money to put towards gas and grocery cards and any other items families can think of. We are also looking at providing some meals to help out the Dockter family.
