

Little Flower Catholic School

August 20, 2021

Dear Parents,

It's candy selling time again, and the candy is tentatively scheduled to be delivered to the school and bagged for each family by Friday, August 27th. We will let you know if the dates change. For our new parents, this is one of our PTO annual fund raisers and we ask each family to do their part. One hundred sixty dollars worth of candy will be sent home for the children to sell to family, friends and relatives. The money is then returned to the school office in the envelope provided in the bag of candy. If you are able to sell more, PLEASE do so. Additional candy can be requested from the school office.

Candy availability is slightly different from last year. We will still be receiving the \$1 bars; however, the \$2 boxes were no longer available. Instead, there will be larger boxes of continental almonds (\$8/each), mint meltaways (\$7/each), and caramel whirls (\$7/each). Each bag will contain a combination of available products. An information sheet is provided in each candy bag.

Some parents voiced a concern about their children, especially the smaller ones, carrying the large bag of candy home, and said they preferred to come and pick the bag up themselves. If you prefer to pick it up, please let your child know so we can hold it in the classroom for you. The candy will be sent home with the oldest child in the family. Any candy not claimed by Tuesday, August 31st will be sent home with the child on Wednesday, September 1st. We hope this is convenient for everyone.

If you have any questions, please contact one of the members on the candy committee. Thanks for all the hard work you do for Little Flower School!
